On 8 May 2008, Wanwu Dong responded to Koncar in an email sent to his spouse's email address as follows:

*"Dear Danko, As discussed over the phone between you and Sasha, we without hesitation want to follow you in investing in Ruukki. We wish to use Hino Resources to buy the shares, which would be technically much more easier than doing it personally. The amount we are ready to invest is one million USD, which is all the bonus you have generously given us. We have got the seeds from you, and now we wish they will grow into threes with your further irrigation. Thank you for sharing with us your wisdom and opportunities. Kindly let us know how to proceed. Best Regards Dong Wanwu."*
